

**THIRD AMENDED AND RESTATED
CERTIFICATE OF INCORPORATION
OF
NEOIMMUNETECH, INC.
(a Delaware corporation)**

The present name of the corporation is “NeoImmuneTech, Inc.” The original certificate of incorporation of the corporation was filed with the Secretary of State of the State of Delaware on June 1, 2018. This Third Amended and Restated Certificate of Incorporation of the corporation, which both restates and further amends the provisions of the corporation’s certificate of incorporation, was duly adopted in accordance with the provisions of Sections 242 and 245 of the General Corporation Law of the State of Delaware and by the written consent of the corporation’s stockholders in accordance with Section 228 of the General Corporation Law of the State of Delaware. The certificate of incorporation of the corporation is hereby amended and restated to read in its entirety as follows:

FIRST. The name of the corporation is NeoImmuneTech, Inc. (the “**Corporation**”).

SECOND. The address of the Corporation’s registered office in the State of Delaware is 919 North Market Street, Suite 950, City of Wilmington, County of New Castle, State of Delaware 19801. The name of its registered agent at such address is Incorp Services, Inc.

THIRD. The purpose of the Corporation is to engage in any lawful act or activity for which corporations may be organized under the General Corporation Law of the State of Delaware.

FOURTH. Common Stock. The total number of shares of capital stock which the Corporation shall have authority to issue is 50,000,000. All such shares are to be Common Stock, par value \$0.0001 per share, and are to be of one class.

(a) Dividends. Subject to the applicable laws of the State of Delaware, the applicable provisions of this Certificate of Incorporation, dividends may be declared and paid on the Common Stock at such times and in such amounts as the Board of Directors of the Corporation (the “**Board**”) in its discretion shall determine.

(b) Voting Rights. Except as may otherwise be provided in this Third Amended and Restated Certificate of Incorporation of the Corporation (as the same may be amended or amended and restated, this “**Certificate of Incorporation**”) or by applicable law, each holder of Common Stock, as such, shall be entitled to one (1) vote for each share of Common Stock held of record by such holder on all matters on which stockholders generally are entitled to vote.

(c) Liquidation Rights. Subject to applicable law, in the event of any liquidation, dissolution or winding up of the Corporation, the holders of the Common Stock shall be entitled to receive the assets of the Corporation available for distribution to its stockholders ratably in proportion to the number of shares of Common Stock held by them. A merger or consolidation of the Corporation with or into any other corporation or other entity, or a sale or conveyance of all or any part of the assets of the

Corporation (which shall not in fact result in the liquidation, dissolution or winding up of the Corporation and the distribution of assets to its stockholders) shall not be deemed to be a liquidation, dissolution or winding up of the Corporation within the meaning of this paragraph (c).

(d) Rights to Purchase New Shares. If and for so long as any of the shares of capital stock of the Corporation or depository receipts representing shares of capital stock of the Corporation (“**DRs**”) are listed on the Korea Exchange (the “**KRX**”), each Pro Rata Holder (as defined below) shall, subject to the provisions of this paragraph (d), have the right to purchase its pro rata share of the shares of Common Stock (or securities convertible or exchangeable into shares of Common Stock) (“**New Shares**”) which the Corporation may from time to time issue, provided, however, that shares of Common Stock (or securities convertible or exchangeable into shares of Common Stock) to be issued in connection with any stock split, stock dividend, conversion, subdivision, exchange, reclassification, recapitalization or otherwise and allocated to each holder of record of shares of Common Stock on a pro rata basis shall not be deemed to be “New Shares” and shall not be subject to the provisions of this paragraph (d). The pro rata share of the New Shares which each Pro Rata Holder shall be entitled to purchase shall be the fraction as determined by dividing (i) the number of shares of Common Stock held by such Pro Rata Holder by (ii) the number of shares of Common Stock held by all Pro Rata Holders, in each case, as of the record date fixed by the Board for such determination, or if no record date for such determination has been fixed by the Board, as of the date on which a Notice of Issuance (as defined below) has been given by the Corporation with respect to such New Shares (the “**Pro Rata Determination Date**”). “**Pro Rata Holder**” means each holder of record of shares of Common Stock as of the applicable Pro Rata Determination Date.

(1) The Corporation shall give written notice of any scheduled issuance or sale of New Shares (“**Notice of Issuance**”) to each Pro Rata Holder at least fifteen (15) business days before the scheduled issuance or sale dates for the issuance or sale of New Shares. The Notice of Issuance shall specify the major terms of the scheduled issuance or sale such as expected per-share sales price, etc.

(2) For the period of fifteen (15) business days following the giving of the Notice of Issuance (the “**Exercise Period**”), each Pro Rata Holder shall have the right to exercise its right to purchase its pro rata share of the New Shares referenced in the Notice of Issuance by giving written notice of such exercise to the Corporation within the Exercise Period.

(3) If a Pro Rata Holder fails to exercise or waives its right to purchase in whole or in part under this paragraph (d), the Corporation may complete any scheduled issuance or sale of shares of New Shares for which Pro Rata Holders did not exercise such rights on the terms not more disadvantageous to the Corporation than those specified in the Notice of Issuance (excluding the case where the number of New Shares scheduled to be issued or sold is decreased by the Corporation) to such person or persons as the Board may deem appropriate; provided, that such issuance or sale shall be completed within sixty (60) days from the end of the Exercise Period. If the

Corporation fails to issue or sell such New Shares during such period, the Corporation shall follow again the procedures specified in this paragraph (d).

(4) Notwithstanding the above provisions of this paragraph (d), the Corporation may issue or sell New Shares in the following instances without complying with paragraphs (d)(1) through (d)(3) above, as determined by resolution of the Board:

(A) New Shares issued or sold by means of a general public offering to the extent not exceeding fifty percent (50%) of the total issued and outstanding shares of Common Stock;

(B) New Shares issued or sold as a result of the exercise of rights, options or warrants;

(C) New Shares issued or sold for the purpose of attaining managerial objective such as introduction of new technology or improvement of the Corporation's financial structure to the extent not exceeding twenty percent (20%) of the total number of issued and outstanding shares of Common Stock;

(D) New Shares issued or sold in relation to any subscription of such New Shares by the underwriters or the depository, as the case may be, in connection with the listing of the DRs on the KRX;

(E) New Shares issued or sold for the issuance of DRs;
or

(F) New Shares issued or sold to (i) financial institutions domiciled in the US, Korea or other jurisdictions, (ii) institutional investors from the US, Korea or other jurisdictions, (iii) companies in a business or strategic alliance relationship, (iv) joint venture companies, (v) funds, including private equity funds, from the US, Korea or other countries or (vi) other entities with similar nature as those specified in (i) through (v) as determined by the Board to the extent not exceeding twenty percent (20%) of the total number of issued and outstanding shares of Common Stock.

FIFTH. Board of Directors.

(a) Management. The business and affairs of the Corporation shall be managed by or under the direction of the Board. Subject to the applicable laws of the State of Delaware the total number of directors constituting the entire Board shall be not less than three (3) and not more than ten (10), with the then authorized number of directors being fixed from time to time by resolution of the Board. Directors need not be stockholders.

(b) Classified Board. The Board shall be divided into three (3) classes, as nearly equal in number as possible, designated as Class I, Class II and Class III. Class I directors shall initially serve until the 2020 annual meeting of stockholders; Class II directors

shall initially serve until the 2021 annual meeting of stockholders; and Class III directors shall initially serve until the 2022 annual meeting of stockholders. Commencing with the annual meeting of stockholders in 2020, directors of each class the term of which shall then expire shall be elected to hold office for a three (3) year term and until the election and qualification of their respective successors in office, subject to such directors' earlier death, resignation, disqualification or removal. In case of any increase or decrease, from time to time, in the number of directors, the number of directors in each class shall be apportioned by resolution of the Board as nearly equal as possible.

(c) Removal of Directors. Unless a greater vote is required by applicable Delaware law, any director or the entire Board may be removed, with or without cause and solely by the affirmative vote of a Supermajority of Stockholders (as defined below). For purposes of this Certificate of Incorporation, a “**Supermajority of Stockholders**” means the holders of at least sixty-six and two-thirds percent (66 2/3%) in voting power of the stockholders of the Corporation present in person or by proxy at a meeting of stockholders at which a quorum is present; provided, however, that notwithstanding the foregoing, and to the fullest extent permitted by Delaware law, if, and for so long as, any of the shares of capital stock of the Corporation or DRs are listed on the KRX, “Supermajority of Stockholders” shall mean the holders of at least (i) sixty-six and two-thirds percent (66 2/3%) in voting power of the stockholders of the Corporation present in person or by proxy at a meeting of stockholders at which a quorum is present and (ii) thirty-three and one-third percent (33 1/3%) of the total number of issued and outstanding shares of capital stock of the Corporation.

(d) Vacancies. Newly created directorships resulting from an increase in the authorized number of directors or any vacancies on the Board resulting from death, resignation, disqualification, removal or other cause shall be filled by the affirmative vote of the holders of at least a majority in voting power of the stockholders of the Corporation present in person or by proxy at a meeting of stockholders at which a quorum is present. Any director so elected shall hold office until the expiration of the term of office of the director whom he or she has replaced and until his or her successor shall be elected and qualified, subject to such director's earlier death, resignation, disqualification or removal.

(e) Independent Outside Director(s). The Corporation may have independent outside directors on the Board, provided, that, if and for so long as any of the shares of capital stock of the Corporation or DRs are listed on the KRX, the Corporation shall have at least two (2) independent outside directors on the Board and the number of outside directors shall be not less than one-fourth (1/4) of the total number of directors. Any person falling under any of the following subparagraphs shall be prohibited from becoming an independent outside director of the Corporation and shall no longer qualify as an independent outside director and shall cease to be a director when he or she is found to fall under any of the following subparagraphs after appointment as an independent outside director:

- (1) a person who is a director, an officer or an employee (referring to a person who is regularly engaged in the Corporation's business, and hereinafter the same shall apply) of the Corporation or its affiliate or worked as a director, an officer, a statutory auditor or an employee for the Corporation or its affiliate within the preceding two (2) years;
- (2) if the Corporation's largest stockholder is an individual, such stockholder and his/her spouse and lineal ascendants and descendants;

(f) No Written Ballot. Unless and except to the extent that the bylaws of the Corporation shall so require, the election of directors of the Corporation need not be by written ballot.

SIXTH. *[Intentionally left blank.]*

SEVENTH. Indemnification.

(a) The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in, or not opposed to, the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the person's conduct was unlawful.

(b) Any indemnification under Article SEVENTH of this Certificate of Incorporation (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the present or former director, officer, employee or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in Article SEVENTH of this Certificate of Incorporation. Such determination shall be made, with respect to a person who is a director or officer at the time of such determination, (i) by a majority

vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (ii) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (iii) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (iv) by the Stockholders.

(c) Expenses (including attorneys' fees) incurred by an officer or director in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Corporation pursuant to this Article SEVENTH.

(d) The indemnification and advancement of expenses provided by, or granted pursuant to, the other paragraphs of this Article SEVENTH of this Certificate of Incorporation shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any law, bylaw, agreement, vote of Stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office.

(e) For purposes of this Article SEVENTH, references to "**the Corporation**" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, employees or agents so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Article SEVENTH with respect to the resulting or surviving corporation as such person would have with respect to such constituent corporation if its separate existence had continued.

(f) For purposes of this Article SEVENTH, references to "**other enterprises**" shall include employee benefit plans; references to "**finances**" shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to "**serving at the request of the Corporation**" shall include any service as a director, officer, employee or agent of the Corporation which imposes duties on, or involves service by, such director, officer, employee or agent with respect to an employee benefit plan, its participants, or beneficiaries; and a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "**not opposed to the best interests of the Corporation**" as referred to in this Article SEVENTH.

(g) The indemnification and advancement of expenses provided by, or granted pursuant to, this Article SEVENTH shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

EIGHTH. In addition to any affirmative vote required by the applicable laws of the State of Delaware and/or this Certificate of Incorporation, if and for so long as any of the shares of capital stock of the Corporation or DRs are listed on the KRX, the affirmative vote of a Supermajority of Stockholders shall be required to authorize:

(i) Any reduction in the capital of the Corporation or any retirement of issued but not outstanding shares of capital stock of the Corporation (including the class and the total number of shares of capital stock of the Corporation to be retired and the total value of the shares to be retired);

(j) The voluntary dissolution of the Corporation;

(k) Any issuance by the Corporation of bonds or debentures entitling the holder thereof to acquire shares of capital stock of the Corporation (“**Equity-Linked Corporate Bonds**”) to non-stockholders of the Corporation unless such Equity-Linked Corporate Bonds are issued (i) by the authorization of the Board in the following instances: (1) in a public offering conducted in accordance with the laws, rules and regulations for shares or DRs listed on the KRX; (2) to financial or strategic investors, institutional investors, companies in a business alliance relationship, joint venture companies, restructuring fund or other entities with similar nature as determined by the Board; or (3) any third party for the managerial purpose such as introduction of new technology or the improvement of the Corporation’s financial structure; in each of the cases stipulated in (1) through (3), to the extent the aggregate issue amount does not exceed \$200,000,000.00 (on the basis of issuance), or (ii) after compliance with paragraphs (d)(1) through (3) of Article FOURTH of this Certificate of Incorporation; and
